

CRM SOLUTION TO ELEVATE YOUR

PHARMACY BUSINESS TO THE NEW LEVEL

Yes! Salesdoor Could Be Your Specialty Pharmacy
Master Key Solution.

WHY DOES YOUR SPECIALTY PHARMACY NEED A CRM ?

CRM is more important than ever to businesses because it can help you to gain new customers and retain existing ones. Salesdoor CRM provides you with particular features that are specifically designed according to the needs of the Specialty Pharmacy.

DASHBOARD

Salesdoor dashboard represents a graphical and numerical user interface which provides at-a-glance views of key performance indicators of organization.

LEADS MANAGEMENT

Did you know 70% of leads fail to convert without a proper lead management system. With leads management module you can view & manage practices & providers under one roof.

TASKS MANAGEMENT

Salesdoor Task Management tools ensure that tasks don't slip through the cracks. With task management, you'll know exactly what to do to push deals forward at every step.

CALENDAR

Imagine being able to manage all of your sales activities from a single tool. With Salesdoor Calendar module organize events and activities in a more professional and efficient way.

MAILBOX

Without a well organized, email communication in place it could be difficult to connect with your prospects and leads.

OUTREACH

Salesdoor is a single platform to drive efficiency and effectiveness for Marketing, Sales Development and Reaching Prospects.

REPORTS

CRM reporting tools make it possible for your organization to quickly and easily access the information they need. Salesdoor provides you with multiple reports, Expense Report, Activity Detail, Account Summary and Sales Rep Performance.

MULTICHANNEL CRM FOR MARKETING

NEVER LOSE TOUCH

Salesdoor Campaign Management provides you with Email, SMS and Fax feature that helps you stay in front of your customers and prospects.

EMAIL MARKETING

Email marketing can do much for your business and is meant to be the easiest means to communicate with your audience nowadays.

SMS MARKETING

The combination of the immediateness, mobile push, and infrequent use means it gets your leads attention exactly when you want it and help reach out.

FAX MARKETING

Use Fax to connect with your leads and send sensitive documents as well as communicate when you don't have an internet connection.

OUTSIDE SALES TEAM MANAGEMENT

KEEP EYES ON THE FIELD

No more dealing with expensive management tools to supervise outdoor sales team. Keep track of your outside sales team activities in real time by

AN ALL-IN-ONE CRM SOLUTION FOR SPECIALTY PHARMACY

MADE FOR YOU

CRM is specifically developed to meet the requirements of Specialty Pharmacies that use teams of sales or medical reps to sell their products and services.

INTEGRATED OUTREACH TOOLS

Staying connected to your clients is as important as getting new clients. Salesdoor is a customer-oriented CRM that can be a key in building a stronger relationship with your new and existing clients.

ACCESS TO LEAD GENERATION

What else do you need? CRM having a built-in library of thousands of practices and providers, hence, helping your company to reach your target market by filtering leads based on NPI, specialty, Zip code or area.

COST SAVING

Improve business processes through faster access to information, which will lead to better and informed decision making.
